AGENDA SUMMARY REPORT

SUBJECT: INFORM THE CITY COUNCIL OF WORK TO BE PERFORMED BY DANIEL STEEL & MACHINE IN THE AMOUNT OF $9,931.15 FOR REPAIR OF THE CRANE MONORAIL DAMAGED BY OLIN-PIONEER

Background: Pursuant to the City of Ukiah Municipal Code, this is to inform the City Council of work to be performed by Daniel Steel & Machine for the amount of $9,931.15. Daniel Steel will be replacing the rail on the Water Treatment Plant’s monorail hoist system and repairing some minor structural damage.

Discussion: On January 26, 2009, while accepting a delivery of chlorine at the water treatment plant, the driver for Olin-Pioneer Corporation hit the monorail hoist rail with his truck. This action damaged the rail and caused minor damage to the chlorine storage room. After having an engineer assess the extent of the damage, requests for bids were sent out. There was only one other respondent, All-Cal Equipment. The bid from All-Cal Equipment was in the amount of $17,211.00. All costs associated with the repairs will be absorbed by Olin-Pioneer Corporation.
