On August 22<sup>nd</sup> at about 6:05 PM Ukiah Police responded to a residence in the 500 block of West Mill Street regarding a domestic violence incident. jail was the best place for him, and he was concerned about a reptile like creature that could change into other animal forms. Beers was evaluated and determined to be under the influence of methamphetamine, and was arrested for drug influence and booked into the County Jail.

On August 23<sup>rd</sup> at about 12:55 AM Ukiah Police observed subjects carrying a couch near the 900 block of North State Street. As the officer approached the subjects had dropped the couch and ran away. Other officers located one of the subjects, a 14 year old male juvenile, running on Elm Street, and later located 28 year old Justin Michael Settles hiding behind a business just to the north. The subjects claimed they had seen the couch behind a business for several days and decided it would be okay to take it. The subjects claimed they were taking the couch to a residence to replace a bed, and that it was cooler to carry the couch at night, than in the day. The subjects claimed they ran because they realized carrying a couch at night didn't look good, and they got scared. Both subjects were arrested for appropriation of property, theft, and conspiracy, and Settles was additionally charged with public intoxication.
