### Highlights for the Week

On August 14<sup>th</sup> at about 6:05AM Ukiah Police responded to the AM/PM at 615 Talmage Road for a stolen vehicle. Officers learned the victim had left the vehicle parked and running outside the store, and returned to find the vehicle gone. Officers broadcast a Be On the LookOut for the vehicle. On August 16<sup>th</sup> at about 1:20 PM a Ukiah Police Officer observed the vehicle being driven in the 600 block of Babcock Lane, and stopped it in the parking lot of Oak Manor Park. The driver was identified as 30 year old Cherral Ann Ocobock who denied stealing the vehicle. Ocobock had two methamphetamine smoking pipes inside her purse, she had a warrant for her arrest from Southern California, and her driver's license was suspended. A further search of Ocobock's belongings revealed a hypodermic syringe and a stun gun, and she was found to be in possession of less than a gram of methamphetamine. Ocobock was arrested for vehicle theft and possessing stolen property, driving with a suspended driver's license, possessing methamphetamine and drug paraphernalia, and possession of a stun gun by a convicted felon. 14-2454

On August 16<sup>th</sup> at about 6:40 PM Ukiah Police responded the area of North School Street and Ruddock Avenue for a suspicious subject seen in several yards and climbing fences, while holding a knife in his mouth. Responding officers determined the suspect had damaged a fence after being confronted by a resident, and that the suspect may have headed towards Gibson Creek. Officers searching the creek bed encountered 23 year old James Alan Morris, who matched the reported suspect description and who was standing with his hands behind his back. Morris was non-compliant with officers, and was seen holding an object in his hand. Morris refused to follow the officers' instructions, and instead walked aggressively towards them yelling for them to shoot him while holding what looked like a large rock in his hand. Officers deployed a Taser and were able to safely take Morris into custody. Morris had a knife in his pants pocket, and he displayed symptoms indicating he had used a controlled substance recently. Morris stated he was on probation and parole, and had missed a recent appointment with his probation officer, instead using methamphetamine heavily all week. Morris had entered several yards hoping to avoid detection by law enforcement, and then entered the creek bed and removed his parole issued ankle monitoring bracelet shortly before being contacted by officers. Morris was arrested for violating probation and parole, trespassing, vandalism, and resisting arrest. 14-2490
