Highlights for the Week

On December 31st at about 8:50 AM Ukiah Police responded to the 400 block of Talmage Road for vandalism to the chain link fence bordering the railroad tracks. Officers discovered bolt cutters had been used to cut a large opening in the chain link fence the night prior. At about the same time a caller in the same area reported the theft of a motorcycle and damage to a similar chain link fence. Officers were subsequently able to obtain security video footage, and determined two suspects had parked their vehicle in a concealed location, cut the fence and proceeded along the railroad tracks to the second location, where they cut the fence and entered the yard area of a business. The suspects removed a motorcycle from the yard through the hole in the fence, wheeled it down the railroad tracks and through the first hole in the fence, loaded it into the vehicle and left.

On January 1st at about 8:00 AM Ukiah Police Officers, assisted by officers with the California Highway Patrol and Mendocino County Sheriff's Department, performed a probation search at a residence in the 1200 block of Helen Avenue. The vehicle used in the theft was at the location, and the stolen motorcycle was located hidden under a tarp and recovered. Officers contacted the two suspects at the location, identified as 41 year old Jerome Anthony Wolter and 34 year old David Michael Johnson, and arrested them for the stolen vehicle, vandalism, and criminal conspiracy. Johnson was also charged with violating probation. 14-3905

The caller was unable to locate the child's parents and called the police. Officers were unable to determine the child's residence and released the child to the care of Child Protective Services.
