Highlights for the Week

On June 6th at about 12:05 AM Ukiah Police responded to 1000 Despina Drive for a traffic collision. Officers learned a 2006 Volvo was being driven north on Despina Drive and was occupied by four male juveniles. The vehicle's occupants reported seeing a 1988 Ford Van being driven at a high rate of speed and screeching its tires as the van turned from Low Gap Road onto Despina Drive. A fifth male juvenile was intending to enter the Volvo and saw the van approaching at over 50 miles per hour. The van, being driven by 27 year old Kenneth William Moore, collided into the rear of the Volvo without slowing or breaking, causing significant damage to both vehicles. None of the occupants of either vehicle were injured, but Moore had been drinking and was determined to be too intoxicated to drive and was arrested for DUI and for driving without a driver's license. An acquaintance of Moore's, 20 year old Brandee Michelle Lyons, approached the scene during this investigation with a dog on a leash. Lyons interrupted and asked repeated questions of the officers while they were attempting to speak with Moore, and at one point refused to leave the center of the roadway for her own safety despite the officers repeated requests to do so. The officers found Lyons had been drinking and tried again to get her to remove herself and her dog from the roadway, and finally had to physically move Lyons towards safety as she became hysterical. Lyons refused to release the dog leash, and the dog began trying to bite the officers and had to be subdued with pepper spray. The officers had to cut the leash from Lyons' hand to be able to secure the dog safely, and arrested Lyons for public intoxication and resisting arrest. 15-0739

On June 7th at about 4:35 AM Ukiah Police responded to a residence in the 700 block of Mendocino Drive for a domestic violence incident. Officers learned 38 Ronald Alfred Romero, of Willits, and the victim became involved in an argument, and Romero hit the victim in the face and head numerous times. At one point Romero placed the victim into a chokehold, and also kicked the victim while telling the victim he intended to kill her. The victim had visible injuries on her face and head. Romero had fled the presence but was located hiding in a nearby creek bed and was arrested for domestic violence, assault with a dangerous weapon, imprisonment, and threats. 15-1644
