In December of 2014, UPD detectives received a report from CPS regarding suspected sexual abuse (multiple occurrences) of an 8 year old in 2012-2013. At the time of the report (and since then) the child was in protective custody with CPS. Through subsequent investigation, it was determined that Silviano Gonzales AKA Govino Gonzales (a relative of the victim), was the suspect and was no longer living in the Ukiah area. Detectives were unable to locate Gonzales until 12-14-15. Gonzales was interviewed and arrested for the above charges in Ukiah on 12-14-15. Gonzales was lodged at the county jail, where his bail was set at \$100,000.
