Ukiah Police Department case # 17-0007**

---

On January 2<sup>nd</sup> at about 1:28 pm, UPD officers were dispatched to the Ukiah High School 1000 Low Gap Road, on a report that someone had made entry into the gymnasium and burglarized the snack shack. During the subsequent investigation officers found that forced entry had been made into the snack shack and miscellaneous food items, appliances, utensils and paper dish supplies had been taken. While working with school officials, officers were able to access the surveillance video of the theft. From the video, officers discovered that two male subjects were involved. At about 5:45 pm, an officer was canvassing the surrounding area for possible suspects, when he located a male subject near the Ukiah Players Theater. The male subject was identified as Vance Madson age 19, a local transient. Officers were able to link Madson to the school burglary and he was placed under arrest. The follow-up investigation led officers to a storage shed behind Orr Creek School, on Low Gap Road. Inside the shed officers located the second suspect, who was identified as Marcus Ledgerwood age 30, a local transient. Ledgerwood was also placed under arrest for burglary. Most of the stolen property from the snack shack was recovered from inside the shed. Madson was booked, cited and released for burglary, while Ledgerwood was booked into county jail.
