Press Release: Subject stabbed and transported to out of area hospital UPD case # 17-1362

On May 13th at about 3am, a UPD officer was dispatched to Ukiah Valley Medical Center for a report of an assault. Upon arrival the officer contacted a 33-year-old male victim, who was being treated by hospital staff for multiple stab wounds. The male victim reported that prior to being transported to the hospital he was in the 200 block of Observatory Avenue, near an apartment complex, when he was stabbed from behind. The victim was stabbed multiple times and could not provide a description of his attacker. Due to the severity of the victim's injuries, he was transported to an out of area hospital. Officers responded to the location where the stabbing reportedly had occurred and located the crime scene, which was processed for evidence. UPD Detectives are currently investigating the stabbing.
