Applicants are asked to complete and return their applications to the Ukiah City Clerk prior to 5:00 PM on Friday July 26<sup>th</sup> to be included for consideration.

Once selected, Committee Members will be asked to meet and review the City of Ukiah's budget for public safety services and the expenditure of Measure P funds. After review, the Committee will be asked to report to the City Council their findings.

Potential committee members should be available to meet at least once, and as many as 3 times, with the dates and times of these meetings made in coordination with the committee members. The committee members will also be asked to attend at least one City Council meeting to report on their findings.
