On September 4, 2020 at approximately 8:14 PM, Officers were advised that a Winnebago motorhome had just been stolen from the area of the Ukiah Municipal Airport. Officers were further advised the vehicle had been taken by a White female and it had last been seen traveling northbound, on S. State Street. Officers began searching the surrounding areas in an attempt to locate the stolen vehicle. Within minutes of the initial report; an Officer spotted a vehicle that matched the description of the stolen motorhome driving southbound behind The Furniture Design Center, located on Airport Park Boulevard. The Officer initiated an enforcement stop and found the vehicle came back registered to the victim / owner of the vehicle. A female was found to be the sole occupant of the vehicle and she was detained without incident. The female was subsequently identified as Kylee Petersen.

During the course of the investigation; it was discovered Petersen climbed onto the roof of the motorhome, damaged a roof vent, climbed inside and located an extra ignition key for the vehicle. She placed her dog inside the vehicle and drove it away from where it had been parked. This initially occurred in the later portion of the afternoon, but she returned with the vehicle just prior to UPD being notified of the theft. An alert citizen, who was familiar with the motorhome and its owner, noticed Petersen was driving the vehicle and alerted the owner of the theft. The owner then notified UPD of the theft. The amount of damage to the vehicle's roof vent was in excess of \$400.00. Petersen displayed symptoms of intoxication and admitted
