On June 25, 2021 at approximately 7:20 PM, a representative of Redwood Ford contacted UPD regarding a possible identity theft. The Redwood Ford employee advised a UPD Officer that a female subject, later identified as Antoinette Florez, entered Redwood Ford to purchase a vehicle. Florez provided the employee with a California Driver's License. The employee didn't believe Florez was the person pictured on the California Driver's License and became suspicious. Florez placed a cash deposit on a vehicle using the California Driver's License she had provided, and planned to take possession of the vehicle the next day. The employee provided UPD with a picture of the vehicle that Florez had arrived in at the dealership.

A short while later, UPD Officers were on patrol and spotted the vehicle parked at Lalo's Mexican Food. UPD Officers approached the vehicle and contacted Florez. While speaking with Florez, UPD Officers learned she had an active felony warrant for her arrest in Fresno County, for 1203.2(a) PC. UPD Officers additionally were advised Florez was on Post Release Community Supervision (PRCS) for false personation of another (529 PC). A term of her PRCS was to obey all laws.
