CITY OF UKIAH STARTS NEW UTILITY BILL ASSISTANCE PROGRAM FOR LOW/MODERATE INCOME RESIDENTS

Ukiah, CA December 7, 2021. – The City of Ukiah is pleased to announce a new Utility Bill Assistance Program for Ukiah residents with funding from the state Community Development Block Grant (CDBG) program. The program is designed to assist low- and moderate-income households struggling with COVID-19 economic impacts. Payments are intended to prevent the cutoff of utility services or provide emergency payments for essential short-term utility-related need. Payments must address impacts to the household resulting from the COVID-19 emergency. All payments will be made directly to the utility or service provider.

“We are now 18 months into the COVID-19 pandemic, but the economic impacts, especially for our lower income households, will be felt for a very long time. This program is an important lifeline for those residents,” stated Mayor Orozco.

Eligibility to receive grant funds is limited to households in the Ukiah city limits with an annual income at or below 80% of the Mendocino County median income level, which is: \$40,500 for 1 person in the household, \$46,300 for 2 persons, \$52,100 for 3 persons, \$57,850 for 4 persons, \$62,500 for 5 persons, \$67,150 for 6 persons, \$71,750 for 7 persons, or \$76,400 for 8 persons in the household.

The program can help Ukiah residents pay past-due utility bills up to \$1,000, with an additional \$50 available per child. Funds can be used for City of Ukiah utility payments or for private utility providers such as internet or natural gas. Application forms and program information can be found on the City’s website at <http://www.cityofukiah.com/projects/utility-bill-assistance/>.

The City will hold public workshops to answer questions and assist individuals with their applications. Workshop staff will speak English and Spanish.
