Fiscal Year 2019

Measure P - Fiscal Year 2018-19

Measure P, passed by a simple majority (50 percent plus 1) of Ukiah voters in November of 2014, is a general (unrestricted) transaction and use tax. A general, unrestricted tax is one that can be used to fund any program, function, service, or project at the discretion of the City Council. It is not a special, restricted tax, which would require approval of two-thirds of the voting public. It continued a sun-set transaction and use tax, known as Measure S (2005), accompanied by an advisory Measure T (2005). Measure P, however, was passed with no advisory measure.

The purpose of Measure P is to augment public safety expenditures to provide a higher level of police and fire service to the community. Amounts collected from the tax are to be used in addition to the commitment of the General Fund and not in replacement of. The following graph demonstrates how the past revenue measure (S) and now Measure P have been employed with relation to the General Fund.

Every year, the City Council appropriates resources in the amount of revenue expected from Measure P for projects, programs, and activities that are in the spirit of the measure. The City Council has committed these funds to enhance the General Fund activities in public safety. Below is a schedule of what those were and what resources were allocated to them.
