- b. Sponsor fees (\$450) must be paid by the advertised deadline and players must pay the \$40 player fee for each team they play on. Once registered on a roster, the player cannot request a refund or transfer. No refunds for sponsor fees after the advertised registration deadline.

- g. For Men's & Women's Divisions, you must have a minimum of 8 players to begin a game (9th & 10th player is not an out). If the 9th/ 10th player arrives during the game, they must bat in the 9th/10th spot.
- h. For Co-Ed Divisions, teams consist of 5 females and 5 males. A team may begin a game with 9 players, but the vacant position must be listed last in the batting order and an out will be recorded when the vacant position is scheduled at bat.
- i. USA Shorthanded Rule: If a team is playing shorthanded with either three players in the infield or outfield, at least one must be male and at least one must be female (Co-Ed Recreation only). If another player of the correct sex arrives, that player must be inserted into the line-up in the vacant spot by alternating sexes.

- j. Lineups may have a maximum of 12 batters. For Co-Ed Divisions, extra batters must consist of a lineup with 12 batters (6 females & 6 males). It is not permissible to use 11 players because of alternating gender.
- k. No one other than players or coaches are allowed on the field of play during a game. This includes batboys/girls, scorekeepers, friends, family members, players from other teams, etc.

4. Games

- a. Lineups with names and jersey numbers must be turned into scorekeeper **5 minutes prior** to start of game.
- b. Late arriving players can only join their team between inning or when their team is at bat. Late arriving players cannot enter the game while their team is on the field.
- c. Game length: All games are 7 innings with no inning beginning after 1 hour and 10 minutes.
- d. Run Rule: Game is over if a team is ahead by twenty (20) runs after 4 innings or twelve (12) runs after 5 innings. USA rules apply for tie breakers.
- e. There is a **5 run per inning limit** except in the designated last inning, which is then open. (Only for Co-Ed Recreation)
- f. Re Entry: Any player may be substituted and re-entered once, providing players occupy the same batting positions whenever in the line-up. Players may not re-enter a second time. The starting player and their substitute may not be in the line-up at the same time. If a player re-enters the game a second time or a player re-enters the game in a position in the batting order other than their original starting or substitute position, this is considered an illegal re-entry resulting in a forfeit.
- g. Forfeits: A team forfeits the game if they cannot field a team *5 minutes* after the official start of a game. That team must pay a **forfeit fee of \$50** to the league prior to playing another scheduled game. **Forfeits count as a 1.5 loss.** *Note: In the case of a "double forfeit," both teams get 1.5 losses.*
 - i. Two (2) forfeits will eliminate teams from consideration for playoffs.
 - ii. Three (3) forfeits will remove a team from the league immediately.

5. Game Play

- a. The batting order for Co-Ed Divisions shall alternate (female, male, female, male, etc.). There are no exceptions to this rule. If a team is shorthanded, the missing player will result as an out when their batting position comes up.
- b. Courtesy runners are allowed if an injury is involved. The substitute runner must be the last out of the same gender being replaced. Courtesy runners may only be used for two (2) players during the course of a game (use wisely).
- c. Co-Ed defensive positions shall include 2 females and 2 males in the outfield, with the positions alternating (i.e. male, female, male, female). There shall be 1 female and 1 male in the pitcher-catcher positions, and the infield requiring only 2 females and 2 males in the 4 positions (does not have to alternate). There is a 170' encroachment line in the outfield. Players may not cross this line until the ball is batted. *This rule only applies for the Co-Ed Recreation Division.*
- d. There is an implied **one-and-one count** on the batter.
- e. The first foul ball with two strikes on the batter will not be an automatic out. The second foul ball with two strikes will be an automatic out.
- f. No intentional bunting is allowed; a bunt will be called an automatic strike.
- g. For Co-Ed Divisions: if a male batter is walked, he takes second base. The next batter (female) has the option to bat or take first base. This decision must be made before the female player bats.
- h. There is no stealing. Contact with the ball must be made before the runner can leave their base. A player leaving a base prior to the batter making contact will be called out.
- i. Tagging up on fly balls is permitted.
- j. On overthrows, the runner is awarded the base they were proceeding to, plus one more.
- k. The infield fly rule will apply.
- l. USA Blood Rule will be in effect.
- m. Home Runs: The league will play with the "one-up" rule. If a player on team 'A' hits a home run, team 'A' cannot hit another home run until team 'B' hits one. If team 'A' does hit one, it will be an automatic out. There will be unlimited home runs as long as the team is only one up at a time. The Home Run Rule

does not apply to female batters. *All home runs will be walked off the field including players currently on the bases.*

6. Base Running

- a. Sliding at all bases is permitted, as it is the base-runners responsibility to avoid collision.
- b. Runners must get down or out of the way on potential double plays, at any base or the plate. If the player fails to do so, the player failing to slide is charged with an out and the batter shall be declared out as well. In addition, all runners not declared out, shall return to the last base occupied at the time of the pitch.
- c. Players shall not intentionally collide with any other players. In the case of a runner intentionally colliding with a fielder, the runner will be called out and may, at the umpire's discretion, be ejected from the game.
 - i. All base runners must either slide or give up their right to a base (avoid a collision by stopping or leaving a base path) if the defensive player (i.e. catcher) has possession of the ball and able to make an apparent play on the base runner.
- d. If a defensive player is not in possession of the ball, so that they are able to record an out (apparent play at any base), they cannot block the base (i.e. home plate) or be in the base path so as to impede (obstruct) the base runner's right to that base.
 - i. Under such circumstances, the defensive player shall be responsible in avoiding a collision. If a collision does occur under these circumstances, the runner will always be considered safe and the obstruction rule shall be enforced.
- e. Base runners must use the orange 'Safety Bag' at 1st base while defensive players use the white bag.

7. Pitching

- a. There is an implied **one-and-one count** on the batter.
- b. Pitches must have a maximum **arc of 6-12 feet** for both men and women. The pitch must be discernibly on its way down as it crosses the plate. Pitches not meeting these criteria will be deemed "illegal."
- c. When the umpire shouts "illegal pitch," the batter has the option of taking the ball or swinging at the pitch.
