UKIAH VALLEY CONFERENCE CENTER OPEN FOR COOLING STATION

Ukiah, CA. July 25, 2018. – The Ukiah Valley Conference Center is open as a cooling station whenever there are sustained temperatures exceeding 95 degrees. Ice water, seating, and wifi is available at this location, which is open from 9:30am to 5:00pm, Monday through Friday.

The National Weather Service has issued an Excessive Heat Watch for inland Mendocino County for parts of the week of July 23rd. Temperatures on these days are expected to reach over 100 degrees at times.

High temperatures increase the risk of dehydration and other heat related illnesses. Please be especially mindful of those who have limited mobility or are susceptible to the heat, including children and older adults. It is suggested that individuals attempt to reduce exertion, stay in a cool place when possible, and drink plenty of water to stay hydrated.

The Ukiah Valley Conference Center is located at 200 S. School Street, Ukiah.
