### C. Agreement to Indemnify and Save Harmless the City of Ukiah

“PERMITTEE” agrees to waive any claim it might have against the City of Ukiah (“CITY”) or its officers and death to any person, personal injury, or property damage, resulting from the use of City right-of-way for the Special Event described on this Permit.

“PERMITTEE” agrees to indemnify and hold “CITY” and its officers and employees harmless from and against any claim by its members or third parties for death to any person, personal injury, or property damage, including all costs associated with defending against any such claim which arises out of Permittee’s activities under this Permit, except for deaths, personal injuries, or property damage resulting solely and exclusively from the active negligence of City or its officers or employees.

### D. Liability Assurances and Agreement

The obligations stated above shall apply not only to the City, but also to its officers, agents, employees, volunteers and contractors. Under its obligation to defend the city, the Permit Holder shall provide at its expense such attorneys, investigators, consultants, experts or other professionals as may be necessary to defend any such claim or demand and shall pay all expenses associated with such defense, including any expenses incurred by the City to assist or participate in such defense. Permit Holder shall pay any such expenses incurred by the City within 30 days of the date the City provides Permit Holder with written notice of the expense and demand for payment. In agreeing to indemnify City under this Agreement, Permit Holder shall pay any settlement or judgment resulting from a claim, cause of action, or suit covered by this Agreement

These obligations are not dependent on whether any insurance policies required by this Permit cover a claim or the insurance company agrees to indemnify the City and defend the claim.

### E. Revocation of Permit

The permit may be revoked by the City at any time if, by reason of disaster, public calamity, riot or other emergency or exigent circumstances, the City determines the safety of the public or property requires such immediate revocation. I agree to having all attendees follow CDC and Mendocino County Department of Public Health recommendations for enhanced health and safety measures related to COVID-19 and follow all posted instructions while using City facilities; including requirements for social distancing, wearing of face coverings, participant grouping, types of activities allowed, and potential limits on event size.
