Dear Mobilehome Park Owner:

At the May 19, 2021, City Council meeting, the Ukiah City Council determined to waive the annual mobilehome park rent stabilization fees for administrative costs for the 2020/21 fiscal year. This conclusion is due to no arbitration costs having been incurred in the 2020/21 fiscal year (July 1 – June 30), and the mobilehome rent stabilization administrative fund balance currently being consistent with Resolution 2020-26 (attached), which states that \$11,300 is a reasonable estimate for the annual cost – including arbitration - to administer Division 2, Chapter 8 of the Ukiah City Code.

If you have any questions or concerns, please contact the City Clerk's office at 707-463-6217.

Sincerely,

Kristine Lawler
City Clerk
City of Ukiah
