Power Pilates

If you are a beginner, don't let the name scare you. I call this Power Pilates because it is more than basic Pilates. I teach to all levels and show many different way to do a movement so you can choose which works for you. Discover the powerful change you can make in your life. Power Pilates is not your typical Pilates experience. This class is well balanced because it blends fat burning cardio with strength and endurance training using hand held weights, small balls and resistance bands to maximize results. Each class begins with great music and energetic sculpting bodywork. We then move into classic Pilates mat work, ending with stretch and relaxation. Every class is different. You will have fun and not get bored!

I have been teaching this class since 2000. As a result, a high percentage of my clients are long time, committed clients who know how much this class benefits their lives. I teach to all fitness levels. In only two hours a week you will see and feel improvement. I can be reached at 707-391-4330 or ginagrecoPilates@yahoo.com www.ginagreco.net

Don't you deserve an hour just for you? Spend an hour de-stressing with good times, laughs and good health. Believe it or not, it s fun. I provide the equipment, you will need to bring a mat or towel.
