Dear Millview County Water District Account Holder,

Millview County Water District (Millview) has recently joined the newly formed Ukiah Valley Water Authority (UVWA) along with the City of Ukiah and Redwood Valley County Water District. The UVWA was created to share resources amongst the other agencies and to solidify water security in the Greater Ukiah Valley. Starting in January, 2025 you will begin to receive your water bills from the City of Ukiah. In the upcoming months, you will be receiving information from the City of Ukiah about the transition to their billing platform.

Through December, 2024 you may continue making your payments in the same manner as you have before and any billing inquiries should be made to the Millview District Office (707) 462-7229, located at 151 Laws Ave. Ukiah, CA 95482.
