
CITY OF UKIAH, MENDOCINO COUNTY, CALIFORNIA

NOTICE OF PUBLIC HEARING TO CONSIDER AMENDMENT OF UKIAH ELECTRIC FIXED FEES:

The City Council for the City of Ukiah will hold a public hearing to consider adjustments to the Electric Utility Fixed Fess at its regularly scheduled meeting on March 19, 2025 at 5:30 PM. This meeting will take place both at 300 Seminary Ave., Ukiah, CA 95482 and via teleconference. The call-in number and access code will be included on the agenda posted to the City’s website, <http://www.cityofukiah.com/meetings/> and at the Civic Center Agenda Board no less than 72 hours prior to the meeting. Pursuant to City Code sections 3950-3957, the City is providing this notice and the City Manager’s Report detailing the proposed Fixed Fee changes no less than 10 days prior to the public hearing on March 19, 2025. A copy of the City Manger’s Report is on file with the City Clerk, available for review by interested persons. The City Manager’s Report will be available on the City’s website at <http://www.cityofukiah.com/electricrates> on or before Friday, March 7, 2025.

PROPOSED ELECTRIC UTILITY FIXED FEE SCHEDULE

Effective Date 03/20/2025

Supersedes Schedule 1615

APPLICABILITY: This schedule applies to all connections to the City’s electric distribution system except those which serve street lighting or traffic signals.

TERRITORY: Within the incorporated limits of the City and land owned or leased by the City.

DESCRIPTION OF CHARGES: All work completed by the Utility shall be completed during normal business hours. If a customer requests that the work be completed during other than regular business hours (Monday – Thursday 7am-4pm), it shall be completed at the customer’s sole expense at a time agreed upon by the Utility.

- A. Overhead Services: No overhead service shall be permitted for new construction except upon prior approval of the Electric Utility Director. Such approval shall be granted only upon a determination, pursuant to Section 3854 of Article 6, “Undergrounding of Utilities,” of the Ukiah Municipal Code, that the installation of an underground service is not feasible. In the event overhead service is authorized, an overhead service fee shall be assessed pursuant to Table 1 of the Schedule of Electrical Connection Charges.
- B. Underground Services: Where the City installs the service conductors, a service fee shall be assessed pursuant to Table 1 of the Schedule of Electrical Connection Charges.
- C. Temporary Service: A fee will be applied for all temporary service installations. The customer is responsible for installing all necessary infrastructure up to the point of connection, including but not limited to conduit, box pads (provided by the City), pull boxes (provided by the City), and service poles. The Electric Utility will provide the service drop, conductors, and meter. Any

additional facilities required for service beyond the standard installation must be supplied and removed at the customer's sole expense.

- D. Upgraded Service: If the customer wishes to upgrade their service, a service fee shall be assessed pursuant to Table 1 of the Schedule of Electrical Connection Charges.
- E. Solar Meters: Bi-directional meters are required for solar customers and exceed the cost of a regular meter. The difference in this cost is to be borne by the customer. A fee for this advanced meter must be paid prior to meter installation. See Table 1 for charges.

A copy of the table is on file with the City Clerk, available for review by interested persons. The table will be available on the City's website at <http://www.cityofukiah.com/electricrates> no later than Friday, March 7, 2025.
