

ORDINANCE NO. 2024 - __**ORDINANCE OF THE CITY COUNCIL OF THE CITY OF UKIAH AMENDING VARIOUS SECTIONS OF DIVISIONS 7 AND 9 OF THE CITY CODE TO REGULATE AGRICULTURAL USES AND CERTAIN CANNABIS BUSINESS STANDARDS.**

The City Council of the City of Ukiah hereby ordains as follows:

SECTION ONE. FINDINGS

1. It is the policy of the City of Ukiah to implement shared approaches to local agriculture and strengthen existing City policies regarding preservation and enhancement of regional working lands; and
2. Agricultural production has been an important part of the regional economy for generations and will continue to be a foundational component for decades to come. In addition to the economic benefits, agricultural lands provide a pastoral quality that helps define the character of the Ukiah Valley. If undertaken appropriately by addressing issues related to health and, potential nuisances (e.g., noise, odor, aesthetics), urban agriculture can improve access to healthy food, promote community development, and create jobs.
3. It is a goal of the City of Ukiah to preserve and strengthen agricultural uses in and around Ukiah that influence the regional economy (AG-1), and as a policy of its Agriculture Element of the 2040 General Plan, the City shall reduce conflict between incompatible uses and agriculture within and adjacent to the City (AG – 1.1).
4. To implement this policy the City shall revise agricultural standards and use terminology to be consistent with adjacent jurisdictions within the Ukiah Valley for the support of future annexation efforts (Agriculture Implementation Program C).

SECTION 2

Section 6093 of the Ukiah City Code is hereby amended to read as follows (unchanged text is omitted and is shown by “* * *)”:

SECTION FIVE.

Article 15.7 of Chapter 2 in Division 9 of the Ukiah City Code is hereby amended to read as follows (unchanged text is omitted and is shown by “* * *):

§9174 PURPOSE

This article provides site planning, development, and/or operational standards for certain land uses that are allowed in certain zoning districts and are subject to discretionary review through the use permit process but that may have unique adverse impacts. The standards for each use are intended to mitigate any potentially adverse impacts associated with the specific use.

§9174.1 APPLICABILITY

The land uses and activities included in this article shall comply with the provisions of the

section applicable to the specific land use, in addition to all other applicable provisions of this article and the Ukiah City Code.

A. Where Allowed: The uses that are subject to the standards in sections 9174.2 through 9174.9 of this code shall only be located in the zoning districts indicted in Chapter 2, Articles 3 through 15, or as otherwise indicated in this chapter.

B. Development Standards: The standards for specific land uses included in this article are required and supplement those included in the Ukiah City Code. In the event of any conflict between the requirements of this article and those included elsewhere in the City code, the requirements of this article shall control.

§9174.2 CANNABIS-RELATED BUSINESSES

A. Cannabis-Related Business Use Permit Application Requirements:

1. Submission: A complete use permit application submittal packet shall be submitted in accordance with section 9262 of this code, including a detailed written statement as to how the proposed cannabis-related business complies with this section, and any other information or submissions required by this code. t. Applicant's Certification: A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct;

u. Other Information: Such other information as deemed necessary by the Community Development Department to demonstrate compliance with this section including all City and State codes, including operating requirements established in this section.

4. Effect Of Incomplete Filing: Upon notification that an application submittal is incomplete, the applicant shall submit any additional documents or information required to complete the application within thirty (30) days of the date the applicant is notified in writing by the ~~Planning~~ Community Development Department that the application is incomplete. If the applicant fails to complete the application within said thirty (30) days, the application shall be deemed withdrawn and a new application

submittal that complies with this section shall be required in order to proceed with the application.

B. Operating Requirements For Cannabis-Related Businesses: Cannabis-related business operations shall be established and managed only in compliance with the following standards:

1. Criminal History: Any applicant and any additional owner of the business, as defined in Business and Professions Code section 26001(ap) and as may be amended, shall not have been convicted of any of the felony offenses enumerated in Business and Professions Code section 26057(b)(4), or of a felony or misdemeanor involving moral turpitude, or on probation for a drug offense, or engaged in misconduct related to the qualifications, functions or duties of a permittee. Notwithstanding the above, an application shall not be denied solely on the basis that the applicant or any owner has been convicted of a felony, if the person convicted has obtained a certificate of rehabilitation (expungement of felony record) under California law or under a similar Federal statute or State law where the expungement was granted. In addition, notwithstanding the above, a prior conviction, where the sentence, including any term of probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of cannabis or cannabinoid preparations, is not considered related to the qualifications, functions, or duties of a permittee, and shall not be the sole ground for denial of an application.

2. Minors:

a. It is unlawful for any permittee, operator, or other person in charge of any cannabis-related business to employ any person who is not at least twenty-one (21) years of age.

b. The burden of proof is on the cannabis-related business personnel to establish compliance with this subsection B2 of this section by clear and convincing evidence.

3. Inventory And Tracking: Cannabis-related businesses shall at all times operate in a manner to prevent diversion of cannabis and shall promptly comply with any track and trace program established by the State.

4. Multiple Permits Per Site: Multiple cannabis-related businesses proposed on any one site or parcel shall be granted permit approval only if all of the proposed cannabis businesses and their co-location are authorized by both City and State law. Operators of cannabis-related businesses issued use permits for multiple business types or State license types at the same physical address shall maintain clear separation between license types unless otherwise authorized by this code and State law.

5. Operating Plans: An operating plan for a cannabis-related business must contain the following unless not applicable due to the location or nature of the business:

- a. Storage: A cannabis-related business shall have suitable locked storage on premises, identified and approved as a part of the security plan, for after-hours storage of cannabis and cannabis products.
- b. Odors Control: The cannabis-related business shall have an air treatment system that prevents odors generated from any storage and cultivation of cannabis on the business property from being detected by any reasonable person of normal sensitivity outside the cannabis-related business premises. To achieve this, both the storage and cultivation areas shall be, at minimum, mechanically ventilated with a carbon filter or superior method. This requirement shall not apply to Outdoor Commercial Cultivation of Cannabis, as odor control will be achieved through location restrictions.
- c. Security Plans: A cannabis-related business shall provide adequate security on the premises, as approved by the Chief of Police, including lighting and a premises and panic alarm system monitored by a licensed operator, to ensure the safety of persons and to protect the premises from theft.
- d. Security Cameras: Security surveillance cameras shall be installed to monitor the main entrance and exterior of the premises to discourage loitering, crime, illegal or nuisance activities. The security surveillance system shall comply with current State standards for digital video surveillance systems to be installed on the premises of licensed cannabis businesses, currently codified in the California Code of Regulations, Title 16, Section 5044, and as may be amended.
- e. Security Video Retention: Security video shall be maintained for ninety (90) days. In the event of a crime on site or anywhere within range of the cannabis-related business's security cameras, the cannabis-related business shall provide the Chief of Police or his or her designee with a useable digital copy of the security video upon request or at the earliest convenience.
- f. Alarm System: Professionally monitored premises and panic alarm system shall be installed and maintained in good working condition.
- g. Emergency Access: Security measures shall be designed to ensure emergency access in compliance the California Fire Code and Ukiah Valley Fire Authority standards.
- h. Emergency Contact: A cannabis-related business shall provide the Chief of Police with the name, email address, phone number and facsimile number of an on-site community relations staff person to whom one can provide notice if there are operating problems associated with the business. The business shall make every good faith effort to encourage neighborhood residents to call this person to try to solve operating problems, if any, before any calls or complaints are made to the City.

6. Employee Records: Each owner or operator of a cannabis-related business shall maintain a current register of the names of all volunteers and employees currently working at or employed by the cannabis-related business, and shall disclose such registration for inspection by any City officer or official for purposes of determining compliance with the requirements of this article.

7. Compliance With Other Requirements: The operator shall comply with all applicable provisions of local, State or Federal laws, regulations or orders, as well as any condition imposed on any permits issued pursuant to applicable laws, regulations or orders.

8. Confidentiality: The information provided for purposes of this section regarding the cannabis business security plans, security site plan, and background checks shall be maintained by the City as confidential information, and shall not be disclosed as public records unless pursuant to subpoena issued by a court of competent jurisdiction or otherwise compelled by court order or the California Public Records Act.

9. Display Of Permit: Every cannabis-related business shall display at all times during business hours the use permit issued pursuant to the provisions of this chapter for such business in a conspicuous place so that the same may be readily seen by all persons entering the business.

10. Inspections: During normal business hours, cannabis-related businesses permitted under this chapter shall provide access for administrative inspections by City officials or officers or consultants hired by the City to verify compliance with this article. Any cannabis-related business's refusal to comply with this section shall be deemed a violation of this article.

11. Notification Of Theft, Loss, And Criminal Activity: Cannabis-related businesses shall comply with the California Code of Regulations, Title 16, Section 5036, or as may be amended, by notifying the applicable State authorities and the Ukiah Police Department within twenty-four (24) hours of discovery of any of the following situations:

- a. A significant discrepancy in the business's inventory.
- b. The operator becomes aware of or has reason to suspect diversion, theft, loss, or any other criminal activity pertaining to the operations of the business.
- c. The operator becomes aware of or has reason to suspect diversion, theft, loss, or any other criminal activity by an agent or employee of the business pertaining to the operations of the business.
- d. The operator becomes aware of or has reason to suspect the loss or unauthorized alteration of records related to cannabis goods, customers or clients, or the business's employees or agents.

e. The operator becomes aware of or has reason to suspect any other breach of security.

The notification shall be in writing and include the date and time of occurrence of the theft, loss, or criminal activity and a description of the incident including, where applicable, the item(s) that were taken or lost.

C. Review And Revocation: Use permits issued for cannabis-related businesses shall be subject to review after the first year of operation according to the procedures set forth in subsection D of this section, and shall be subject to revocation according to the procedures set forth in subsection E of this section.

D. Review Of Use Permits For Cannabis-Related Businesses:

1. Use permits for cannabis-related business will be subject to review after the first year of operation by the Zoning Administrator, including inspection of the business by the Zoning Administrator or his designee, to determine whether the business is being operated in accordance with any conditions of approval imposed on the use permit as issued by the Planning Commission or Zoning Administrator. The City Council may, from time to time by resolution in accordance with the procedures required by law, establish fees to be charged and collected for annual review pursuant to this subsection.

2. In the course of review and after inspection, the Zoning Administrator shall make findings of fact regarding the cannabis-related business operator's adherence to the conditions of approval for the use permit. In addition, the Zoning Administrator will consider the following nonexclusive criteria in making findings of fact which may be grounds for revocation of a use permit for a cannabis-related business:

a. Whether the cannabis-related business operated pursuant to the use permit has generated an excessive number of calls for police service compared to similarly situated businesses of the same size as the cannabis-related business.

b. Whether there have been excessive secondary criminal or public nuisance impacts in the surrounding area or neighborhood, including, but not limited to, disturbances of the peace, illegal drug activity, cannabis use in public, harassment of passersby, littering, loitering, illegal parking, loud noises, odors, or lewd conduct.

c. Whether the cannabis-related business operating pursuant to a use permit has a history of inadequate safeguards or procedures that show it is likely that it will not comply with any operating requirements and standards required in the conditions of approval.

d. Whether the cannabis-related business has failed to pay fees, penalties, or taxes required by the conditions of approval of the use permit or by this code

or State law, or has failed to comply with any requirements for the production of records or other reporting requirements of this code.

e. Whether the applicant or any owner of the cannabis-related business, as defined in Business and Professions Code section 26001(ap), as may be amended from time to time, has been convicted of a felony, or has engaged in misconduct that is substantially related to the qualifications, functions or duties of an operator of a cannabis-related businesses. A "conviction" within the meaning of this chapter means a plea or verdict of guilty, or a conviction following a plea of nolo contendere. Notwithstanding the above, an application shall not be denied solely on the basis that the applicant or any owner has been convicted of a felony, if the person convicted has obtained a certificate of rehabilitation (expungement of felony record) under California law or under a similar Federal statute or State law where the expungement was granted.

f. Whether the operator or managers of the cannabis-related business have previously or are currently engaged in unlawful, fraudulent, unfair, or deceptive business acts or practices.

g. Whether the cannabis-related business has been operated in compliance with applicable State law and provisions of this code generally.

3. If the Zoning Administrator determines that the cannabis-related business is being operated in violation of any conditions of approval imposed on the use permit as issued by the Planning Commission or the Zoning Administrator, the use permit may be subject to revocation.

E. Revocation Of Use Permits For Cannabis-Related Businesses:

1. In addition to the reasons for revocation of an approved use permit set forth in subsection 9262H2 of this code and subsection D2 of this section, an approved use permit for a cannabis-related business may be revoked through the City's revocation process, as set forth in subsection 9262H2 of this code, except that all references therein to the Planning Commission shall be deemed to refer to the Zoning Administrator, if the cannabis-related business is operated in a manner that violates the conditions of approval imposed by the use permit or the provisions of this code, or conflicts with State law. At the public hearing to be conducted by the Zoning Administrator as set forth in subsection 9262H2 of this code, the Zoning Administrator shall make findings regarding the alleged specific violations of this code or State law.

2. An appeal of the Zoning Administrator's decision on revocation of a use permit for a cannabis-related business may be made to the Planning Commission for a final decision. Any such appeal must comply with the requirements of section 9266 of this code, except that all references therein to the City Council shall be deemed to refer to the Planning Commission.

3. When a final decision revoking a use permit for a cannabis-related business is made as provided in this section, the permittee shall become ineligible for a period of three (3) years thereafter to apply for a use permit for a cannabis-related business. The ineligibility shall include any corporation or other business entity, including, but not limited to, a partnership or limited liability company, in which the permittee has any direct or indirect beneficial, financial or ownership interest.

F. Limitations on Locations of Cannabis-Related Businesses:

1. All cannabis-related businesses, as defined in section 9278 of this code, operating subject to use permits under this chapter will operate indoors in a fully enclosed secure structure, as defined in section 9254 of this code, except as set forth in subsection 9174.3(c)(5) of this code regulating cannabis consumption areas, and in Section 9174.4 of this Code regulating outdoor commercial cannabis cultivation in the A-E district and districts with -A overlay, and shall not be allowed in the following areas, except as otherwise set forth in this Code:

a. Within six hundred feet (600') of a school, as defined in section 5702P of this code, with that distance measured as the horizontal distance in a straight line from the property line of the school to the closest property line of the lot on which the cannabis-related business is to be located without regard to intervening structures, pursuant to California Health and Safety Code section 11362.768; or

b. Within two hundred fifty feet (250') of a youth-oriented facility other than a school, as defined in section 5702R of this code, with that distance measured by street frontage from the property line of the youth-oriented facility to the closest property line of the lot on which the cannabis-related business is to be located, and not radial distance; or

c. Abutting, on any side of the parcel upon which the cannabis-related business is located, a parcel occupied by a youth-oriented facility or a school; or

d. Within any residential zoned parcel or primary land use, or any property with an underlying residential or mobile homes general plan land use designation; or

e. On a parcel having a residential unit, or on a parcel directly abutting a residentially zoned property, unless there are intervening nonresidential uses between the cannabis-related business and the residential unit or the residentially zoned property that the decision-making entity charged with hearing and making the decision on the use permit application or the appeal of that decision determines sufficient to provide an appropriate separation.

2. A cannabis retailer, as defined in section 9278 of this code, shall not be allowed within two hundred fifty feet (250') of another cannabis retailer, with that distance measured by street frontage from the property line of the other cannabis retailer to

the closest property line of the lot on which the cannabis retailer is to be located, and not radial distance.

3. A waiver of the provisions in subsections F1a through e and F2 of this section may be granted if the applicant demonstrates on plans and materials presented for review and the Planning Commission determines that a physical barrier or other condition exists which achieves the same purpose and intent as the distance separation requirements established herein, and that, as a result, the Zoning Administrator or the Planning Commission makes a finding of no adverse impact resulting from the proposed location of the cannabis-related business.

4. A Cannabis Cultivation Business located in the A-E district and in the P-F District with A- overlay will not be subject to the location limitations set forth in Subsections F.1.a through F.1.e of this Section.

§9174.3 CANNABIS RETAILERS

A. Applicability: The standards and requirements in this section apply specifically to cannabis retailers, as defined in section 9278 of this code, and other cannabis businesses with a retail component, and shall apply in addition to the requirements and standards for all cannabis businesses set forth in section 9174.2 of this code and elsewhere in this code. In the event of any conflict between the requirements of this section and those included elsewhere in the City Code, the requirements of this section shall control.

C. Operating Requirements:

* * *

5. Consumption Restrictions:

a. Except as set forth in subsections C5b and c of this section, cannabis shall not be consumed on the premises of the cannabis retailer, nor within any accessory structures, parking areas, or other surroundings within two hundred feet (200') of the cannabis retailer's entrance.

b. Cannabis may be consumed in a designated cannabis consumption area on the premises of a cannabis retailer upon approval of a use permit or modification of an existing use permit. The smoking of cannabis may be permitted in a designated cannabis consumption area as may be allowable under state law and subject to the terms of the use permit. A cannabis retailer's operation and use of a cannabis consumption area shall otherwise comply with the provisions of Division 5, Chapter 7 of this code, entitled "No Smoking." Cannabis consumption areas shall be secured and designed to prevent access by individuals who are not eligible adult use patrons. If an existing use permit is modified to reflect the creation of a cannabis consumption area, that use permit shall be subject to renewal one year after the cannabis consumption area has become operational.

c. A retailer with a cannabis consumption area that is not enclosed, such as on a patio or a deck, may allow smoking, vaping, and ingesting edible products, subject to all local and State laws.

§9174.4 COMMERCIAL CANNABIS CULTIVATION

A. Applicability: The standards and requirements in this section apply specifically to commercial Cultivation of Cannabis as defined in section 9278 of this Code, and shall apply in addition to the applicable requirements and standards for all cannabis businesses set forth in section 9174.2 of this Code and elsewhere in this Code. In the event of any conflict between the requirements of this section and those included elsewhere in the City Code, the requirements of this section shall control.

B. Development Criteria:

1. Location of Commercial Cannabis Cultivation- All Commercial Cannabis Cultivation businesses shall comply with the limitations on location for Cannabis Related Businesses set forth in Subsection 9174.2.F of this Code, except that businesses located in the A-E district and in a district combined with A- Overlay shall be exempted from these location limitations.

2. Setbacks: Commercial Cannabis Cultivation areas shall be setback a minimum of 50-feet from all lot lines and shall comply with the setback requirements set forth the State Water Resources Control Board's comprehensive Cannabis Cultivation General Order.

C. Operating Requirements:

1. Cannabis Waste Discharge Requirements General Order. A Commercial Cannabis Cultivation business shall demonstrate compliance with the State Water Resources Control Board's comprehensive Cannabis Cultivation Policy which includes principles and guidelines for cannabis cultivation, including regulations on the use of pesticides, rodenticides, herbicides, insecticides, fungicides, disinfectants, and fertilizers, within the State.

2. Odor control. A structure for Indoor or Mixed-Light Cultivation must be equipped with a filtration and ventilation system to control odors, humidity, and mold, provided that structures containing only packaged cannabis products may be excluded from this requirement.

3. Lighting. All lighting is to be fully shielded and downward casting so that it does not spill over onto neighboring properties. For operations cultivating within structures, all light is to be fully contained to minimize light trespass that is visible from neighboring parcels. A photometric and supplemental lighting plan shall be provided as a component of the application.

4. Accessory uses. Cannabis Cultivation may include accessory uses on the same parcel that directly support the onsite Cannabis Cultivation, such as: propagation, research and development, processing, drying, packaging and labeling, distribution, other similar support uses as determined by the Zoning Administrator.

5. Limitations on Cannabis harvesting activities. In order to minimize cannabis odors, the drying, curing, and/or trimming of harvested cannabis shall either (1) be located within an enclosed structure which utilizes best available control technology, or (2) include techniques and/or equipment (e.g., the use of freeze drying techniques/ equipment and immediate packaging of harvested cannabis in the field) that shall achieve an equivalent or greater level of odor control as could be achieved using an enclosed structure which utilizes best available control technology, or (3) be located at a sufficient distance from neighboring residential structures so as to avoid odor intrusion as a public nuisance as described in Subsection 9254.B.4 of this Code.

6. Generators. Generator use for Cannabis Cultivation must comply with the requirements set forth in California Code of Regulations, title 4, section 16306, as may be amended from time to time.

SECTION SIX.

Section 9254 in Article 19, Chapter 2, Division 9 of the Ukiah City Code is hereby amended to read as follows (unchanged text is omitted and is shown by “* * *):

§9254 CANNABIS CULTIVATION

A. Definitions: As used herein the following definitions shall apply:

CULTIVATION: The planting, growing, harvesting, drying, or processing of cannabis plants or any part thereof.

FULLY ENCLOSED AND SECURE STRUCTURE: A space within a building that complies with the California Building Code, as adopted in the City of Ukiah ("CBC"), or, if exempt from the permit requirements of the CBC, that has a complete roof enclosure supported by connecting walls extending from the ground to the roof, a foundation, slab or equivalent base to which the floor is secured by bolts or similar attachments, is secure against unauthorized entry, and is accessible only through one or more lockable doors. Walls and roofs must be constructed of solid materials that cannot be easily broken through, such as two-inch (2") by four-inch (4") or thicker studs overlaid with three-eighth-inch (3/8") or thicker plywood or the equivalent. Plastic sheeting, regardless of gauge, or similar products do not satisfy this requirement. If indoor grow lights or air filtration systems are used, they must comply with the California Building, Electrical, and Fire Codes as adopted in the City of Ukiah.

IMMATURE CANNABIS PLANT: A cannabis plant, whether male or female, that has not yet flowered and which does not yet have buds that are readily observed by unaided visual examination, and which is less than twelve inches (12") in height and less than

twelve inches (12") in width.

INDOORS: Within a fully enclosed and secure structure.

MATURE CANNABIS PLANT: A cannabis plant, whether male or female, that has flowered and which has buds that are readily observed by unaided visual examination.

MIXED-LIGHT: Within a greenhouse, hoop-house, glasshouse, conservatory, hothouse, or other similar structure using a combination of natural and artificial light and meeting the definition of "mixed-light" set forth in California Code of Regulations, title 4, section 16201, as may be amended from time to time.

OUTDOOR: Any location within the City of Ukiah that is not within a fully enclosed and secure structure.

PARCEL: Property assigned a separate parcel number by the Mendocino County Assessor.

B. Cultivation Of Cannabis:

1. Outdoor Cultivation: Except as set forth in Subsection B.4 of this Section and in Section 9174.4 of this Code, it is hereby declared to be unlawful and a public nuisance for any person owning, leasing, occupying, or having charge or possession of any parcel within any zoning district in the City of Ukiah to cause or allow such premises to be used for the outdoor cultivation of marijuana plants.

* * *

4. Outdoor Commercial Cultivation Of Cannabis: A person owning, leasing, occupying, or having charge or possession of any parcel within the City of Ukiah may cause or allow such parcel to be used for the outdoor commercial cultivation of cannabis if the person is operating that commercial cannabis cultivation business pursuant to a valid use permit within the A-E district or a district combined with -A overlay and in compliance with all requirements set forth in sections 9174.2, 9174.4, 9261, and 9262 of this Code and with all applicable State laws and regulations including licensing requirements.

5. Public Nuisance Prohibited: It is hereby declared to be unlawful and a public nuisance for any person owning, leasing, occupying, or having charge or possession of any parcel within the City of Ukiah to create a public nuisance in the course of cultivating cannabis plants or any part thereof in any location, indoor or outdoor. A public nuisance may be deemed to exist, if such activity produces: (a) odors which are disturbing to people of normal sensitivity residing or present on adjacent or nearby property or areas open to the public, (b) repeated responses to the parcel from law enforcement officers, (c) a repeated disruption to the free passage of persons or vehicles in the neighborhood, (d) excessive noise which is disturbing to people of normal sensitivity on adjacent or nearby property or areas open to the public, or (e) any other impacts on the neighborhood which are disruptive of normal activity in the area.

C. Enforcement:

* * *

3. Summary Abatement Procedure:

* * *

d. A final order to abate the nuisance will subject the property owner or owners and any occupant or occupants of the property who are cultivating cannabis in violation of this section to a civil penalty of five hundred dollars (\$500.00) for each day that the violation continues after the date specified in the notice under subsection C3a(3) of this section, when the violation must be abated. * * *

4. Violation: Cultivation of cannabis on parcels within the City that does not comply with this section constitutes a violation of the zoning ordinance and is subject to the penalties and enforcement as provided in Chapter 2, Article 22 of this Division.

* * *

SECTION SEVEN.
