City of Ukiah to Host Town Hall on Proposed Ukiah Valley Reorganization, Thursday, June 19th

June 9, 2025 – Ukiah, CA — City of Ukiah Staff will host a town hall meeting on the proposed reorganization project—part of which is annexation. All interested community members are invited to attend.

The meeting will be held on Thursday, June 19th, beginning at 5:30 pm, at the Ukiah Valley Conference Center, 200 South School Street, Ukiah.

More on the Proposed Ukiah Valley Reorganization:

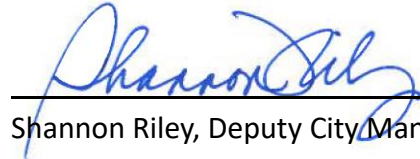

The proposed Ukiah Valley Reorganization builds on a long-standing City policy direction to strengthen regional planning, enhance service delivery, and protect agricultural and open space lands. In recent years, the City has completed an updated 2040 General Plan, secured a Master Tax Sharing Agreement with Mendocino County, implemented a Sphere of Influence Update, and consolidated emergency and water services through regional partnerships. The City has also passed a Right to Farm ordinance to protect agricultural land use within city boundaries.

If pursued, annexation could:

- Enable more reliable and coordinated government services, including police, code enforcement, and infrastructure maintenance.
- Secure a stronger, more focused tax base to fund quality services and community amenities.

- Give residents in annexed areas a voice in City elections and representation on issues that affect their neighborhoods.
- Provide a foundation for sustainable housing and commercial development while protecting agricultural land and open space.
