

In your opinion, what are some of the biggest challenges that face City of Ukiah sports programming?

The main philosophies of City of Ukiah sports programming include promoting good sportsmanship, providing a safe environment for participation, and providing opportunities to play to all in our community. How do you believe that you would be able to support the philosophy and vision of City of Ukiah sports programming?

Is there anything else you would like to add?

Agreement & Signature

I understand this is a volunteer position and agree to serve in an advisory role to support City of Ukiah recreation sports programs.

Signature : _____ **Date :** _____
