Name of Office <u>Ukiah City Council</u>	Name of District <u>City of Ukiah</u>
Statement of education & qualifications:	

Simply stated... I love Ukiah. I was born and raised here and chose to raise my family here.

My 30+ year public service career includes 15 years working for the City of Ukiah as well as other municipalities and special districts, has given me a keen understanding of how local governments work; from budgets, labor relations, utilities, land use, water rights and public safety.

I have been an active volunteer for various local youth sports organizations, served several years as a Volunteer Firefighter/EMT with the Ukiah Fire Department, was appointed to the Ukiah Airport Commission, elected to the Board the Russian River Flood Control and Water Conservation Improvement District, and served on LAFCO and Inland Water and Power Commission.

Ukiah is facing big issues; annexation, Russian river water supply and the unhoused members of our community. I would like to be your voice on the council to address these items with input from you.

I believe in this town. Big things can and do happen in our community when committed passionate people work towards a common goal, and now is the time for change, take the next steps with me. Vote Matt Froneberger for Ukiah City Council
