Occupation Small Business Owner Date of Election 11/03/2026
Name of Office City Council Member Name of District _____

Statement of education & qualifications:

As a small business owner and lifelong believer in community service, I am running for Ukiah City Council because I believe our city is strongest when every resident has a voice. I will work to make local government more transparent, accessible, and responsive to the people it serves.

I believe every policy and every decision should begin with one question: How does this benefit the people of Ukiah? I will support responsible growth, strong public safety, fiscal responsibility, and practical solutions that strengthen our neighborhoods and support local businesses.

My commitment is simple: listen first, lead with integrity, and put policy over politics. I will work to earn your trust by being prepared, asking thoughtful questions, and making decisions based on facts, accountability, and the long-term interests of our community. Together, we can build a stronger Ukiah that serves current residents while preparing responsibly for future generations.
