

Ukiah Green Energy Program

For customers wishing to promote the development and use of renewable energy; the City of Ukiah offers a 100% Green Electric Rate. This rate is available to all City of Ukiah customers.

The City will procure, on the customer's behalf, Renewable Energy to match the customer's monthly energy consumption. Customers choosing the Green Rate will incur an additional 2.021 cents per kWh for every kWh consumed during the billing period. The 100% Green Rate will be updated yearly and will be based on renewable energy cost, delivery costs and imposed fees. Customers may opt into the program anytime and may opt out any time after the second complete billing cycle on the program.
